Meet the Teacher…

Year 6

Teaching…

Year 6 team

6R

Teacher – Mrs Robson

6E

Teacher- Mr Ewins

LSAs – Mrs Bannister and Mrs Judson will be supporting children in year 6.

Mrs Weatherup will be teaching R.E and music on Thursday afternoon.
Madame Miller for French on Thursday afternoon.

Learning…

New National Curriculum:

- This year's year 6 children will be assessed against the national programmes of study for English and maths
- Some skills will be taught discretely whilst others will be developed through application in different contexts
- There will be an increasing expectation that the children will be able to be more independent in the decisions that they make about their work
- All subjects - reinforce neat handwriting, accurate spelling and attractive presentation.

'Y5/6 Links' pages - many opportunities to continue or extend learning from home.

Homework…

Maths homework

- Your child should know times tables to 12 x 12.
- Some children will need to spend some time practising mental addition and subtraction
- We will send weekly maths homework to support their learning.

Reading

- Recorded in the planner for every session of reading at home
- Library - open every day after school until 4pm for book exchanges.

Spellings

- 10 weekly spellings, sticker on spelling chart for 10/10. For most children, the spellings will be taken from the statutory word list for children in year 5/6

- Later in the year, there will be revision homework in preparation for the SATs

Home Learning…

During the year, children will be asked to complete home learning projects linked our topics.

This is an opportunity for your child to learn at home about a different aspect of our topic and to present their learning in a format that they have chosen for themselves.

We will not set a home learning project in the run up to the SATs as children will be expected to complete revision homework during thus time.

SATs

SATs will take place in the second week of May, starting Monday 13th and finishing Thursday 16th. Please make sure that no holidays are booked during school time for this week or in the build up to the tests.

Children will sit tests in:

- reading
- spelling
- punctuation and grammar
- arithmetic
- mathematical reasoning

- For reading, maths and GPaS, children will get a scaled score from 70-130 where 100 represents the pass mark.

Osmington Bay

Monday 1st – Friday 5th July 2019

£452 per child, inclusive of insurance.

This covers the cost of: activities (£233), travel (£30) and meals and lodgings (£189).

There are options for payment - details in the letter sent out last term.

The PGL website has lots more information and pictures.

Reminders…

Planners

- in school every day.
- filled in weekly and signed by a parent - please ask your child to show their planner if sending a message.

PE kit

- full kit is needed in school every day - outdoor PE is weather dependent and we may add extra sessions. Our timetabled sessions are Monday/Wednesday for 6E and Wednesday/Friday for 6R
- Due to health and safety regulations earrings must be taken out or covered during P.E lessons. If your child cannot remove their earrings, please ensure they do not wear them on P.E days or supply them with plasters or tape to cover them

Uniform

- guidelines on website, send a note if haven't got the correct kit. **Please mark all belongings clearly**.

Allergies - **No nuts**, no food items for birthdays.
