Dear Parents and Carers,

4E Assembly

What a brilliant assembly from 4E this morning. I'm sure all those in attendance would agree that the children from 4E were amazing. There were some exceptional voices that filled the hall and I was so impressed that everyone had managed to learn their lines. All who took part should feel very proud of themselves and well done to Miss Evers enabling the children to perform so well in front of such a large audience.

Primary Stars Football Tournament

Our boys and girls football teams travelled to Henry Beaufort on Wednesday to take part in a qualifying tournament for a national competition organised by the Premier League Primary Stars initiative. The children were very excited as victory in the competition would mean qualification for a second tournament in Southampton in February.

The girls played four matches in a tough group. Every school had some very talented players and there was some fiercely competitive football. Despite playing well, the girls just couldn't convert strong performances into goals and with two 0-0 draws, a 1-1 draw and a 1-0 loss. In the match that they lost, the girls thought that they had scored a dramatic last second equaliser when Daisy smashed the ball in from 15 yards, only for the referee to rule that that time was already up and that the goal would not stand.

All the girls played well and special mention to Imogen, who was playing her first ever matches in goal and who made some great saves. Well played Imogen, Belle, Daisy, Kailey, Freya, Tilly and Lucy.

The boys continued their excellent form and progressed confidently from their qualifying group, beating Stanmore 5-0, St Francis 6-1 and Kimpton 4-0. The boys played some beautiful passing football, controlling the games and getting the ball quickly into dangerous positions. Finishing top of the group put the team into the final, against St. Bede Primary School. In the final, all the boys played really well and a tap-in from Dylan, an outrageous dribble and finish from Tom and excellent defending from all the players meant that Kings Worthy finished 2-0 winners. They will now go through to play the winners from all the other qualifying tournaments for a place in the national finals.

Well played Ioan, Ben B, Jack, Noah, Dylan, Lewis, Ben T and Tom.

1S

Unfortunately Miss Singleton has broken her ankle and will not be returning to school next week. Miss Singleton thought that she would be able to return to work sooner rather than later, but the break is worse than first thought. We have been very lucky to have Mrs Crombie and Mrs Griffiths working closely with Miss Hynes this week to ensure that the children's learning has continued smoothly. We will continue to cover next week with a combination of staff from school and our experienced supply teachers. Thank you for your support in this matter and should you wish to discuss this further then please don't hesitate to make an appointment or catch me on the gate one morning.

Little Life Savers workshops with Year 5 and 6

Year 5 and 6 had the privilege to enjoy an amazing workshop with the charity, Little Life Savers. In the workshop, we were taught to do CPR, the recovery position and how to help a choking person. We learnt the correct rhythm for CPR with the help of Baby Shark! Little Life Savers told us how important it is to stay calm in an emergency situation and to send for help from adults. They got us to recite the emergency services phone number and told us what to say if we phoned them so that if we can't save the person, they would know exactly which service we need, where to go and what the problem was. I thought the workshop was fun, and the people knew what to do to make it enjoyable and educational – though I don't think I'll be able to get Baby Shark out of my head for a long time!

Lucy S

Inset Day Tomorrow

A reminder that it is our 3rd inset day of the year tomorrow. It is a very exciting opportunity for all the staff as we have joined forces with the Winchester Teaching School Alliance (based at Kings) for numerous workshops tailored to individual staff needs. Staff in school have signed up to workshops entitled 'Teaching maths mastery'; 'Effective ways to develop children's communication skills in the classroom'; 'English writing in years 2 and 6' to name just 3 of the sessions – there are many more! We are then all listening to Chris Sweeney from Pivotal Education who will be presenting a keynote speech on 'Creating and Sustaining Consistent cultures'. It should be a brilliant day and I'll look forward to feeding back to you all next week.

Spare Tights & Socks

A plea from the Office staff– if you have any spare children's socks or tights, please bring them to the School Office. They are always useful if a child has a fall and gets very wet or muddy! Thank you.

Jamie Dodson, Headteacher

Dates for your Diary this Academic YearNew dates or amendments **in red**.

Fri Jan 25th		INSET day—no school for pupils
Fri 1st Feb	9.15am	4A Class Assembly
Fri 1st Feb		1S and 5B non-uniform day
Fri 1st Feb		Grow £1 challenge begins
Tue 5th Feb		Safer internet day
