

As you know, we would love the children to come dressed as a **book character** on World Book Day, Thursday March. It would be great if they could bring the book or a copy of its front cover.

As usual, Wells Book Shop will bring a selection of books (illustrated here) for the children to exchange for their £1 World Book Day vouchers. These vouchers will be given to the children on Thursday 7 March. Please use the form below to indicate if you would prefer your child to take the book token home.

We have arranged for local author, Judy Waite, to spend the day with us. She will lead creative writing workshops, which we hope will be really beneficial and enjoyable for all the children. Wells Book Shop have kindly agreed to offer a selection of Judy's books for sale after school, when Judy will be happy to sign them for the children if they wish – please see the attached letter from Wells about ordering books in advance.

You can help to make our Word Book Day a success by:

- *Discussing the author talk with your child
- *Making an extra effort to read to your child - whatever their age!
- *Helping them to research their character for dressing up.
- * Looking at the World Book Day Website – with lots of activities and information that you can enjoy together at home:
www.worldbookday.com
- *Sending in a photo of your child reading in their favourite place at home (for display).

We hope this will be a rewarding and successful day and thank you for your continued support for this annual event. We can't wait to see what book characters the children will become this year!
