4. You can reply to an observation by writing in the box at the bottom of the page. We love to read your comments!

Writing your own observation

We love to hear what your child is learning about at home, have they learned a new skill like bike riding, dance lessons etc? Have they made a new step forward in their reading at home or written their first birthday card for a friend? Perhaps there has been an important event in their lives, a birthday, new baby brother/sister e.t.c. We'd love to hear about it!

- 1. Click on 'add observation'
- 2. Select your child from the drop down menu and click add child, give your observation a title and add some notes about what they have been up to.
