Dear Parents

As part of our 'Deadly 60' topic this half term, we have arranged for Jonathon's Jungle Roadshow to come into school and share their selection of 'deadly' creatures with the children. Jonathon Cleverly or 'Jungle Jonathon' has over 30 years' experience of keeping and breeding reptiles and invertebrates and spends his time visiting schools and sharing his knowledge of his creatures and letting the children get up close and personal!

On **Tuesday 3rd October** Jonathon will be spending the full day in school with: snakes, geckos, tarantulas, scorpions, whip spiders and praying mantises to name a few! The children will be given the opportunity to handle some of these creatures should they wish, which I'm sure will be an exciting prospect for many of them!

To cover the cost of the roadshow (which will be based in school) we are asking for a voluntary contribution of £7.60 per pupil.

Jonathon's visit has been extremely well-received by the children over the last two years and we are confident that the children this year will be very excited to have him visit us!

Please could you complete the slip below and return to school by **Friday 29th September**.

If you or your child have any concerns please come and see one of us.

Please note, children may come to school in their **own clothes** on this day.

Many thanks
