Maths Meetings – For Parents

Dear Parents and Carers

We have decided to run a Maths Meeting for the parents of children in Early Years. We are aiming to give parents and carers the opportunity to see how maths is taught, as well as the equipment that we use and how we can develop children’s learning and understanding of maths to ensure that they have a really firm foundation in counting and the number system.

The meeting will be on **Tuesday 16th January 2018 at 9am** in the hall.

It would be greatly appreciated if you could indicate on the slip below if you plan on attending the meeting. There is also space for you to put any comments about what you’d be interested to see covered in the meeting and any specific questions that you would like answered. If you are unable to attend, any information provided will be posted on the school website.

Many thanks

Miss C Evers

Maths Manager

Reply Slip – EYFS Maths Meeting – For Parents

I plan to attend the EYFS Maths Meeting on Tuesday 16th January 2018.
