Dear Parents and Carers,

KEY STAGE 2 SATs

Today all the children in Year 6 received their results in the Key Stage 2 SATs held earlier in the term. Well done to every single child in year 6 – the results reflect their hard work and commitment during their time at the school.

Our overall school results are shown below compared with the national results:

	% of children gaining the expected standard (Kings Worthy)	% of children gaining the expected standard (Nationally)
ENGLISH WRITING	83%	78%
ENGLISH READING	75%	73%
MATHEMATICS	84%	79%
SPELLING, GRAMMAR & PUNCTUATION	81%	80%
READING, WRITING & MATHS COMBINED	70%	65%

All staff in school are really pleased with the results. I hope you as parents can take pride in these results and will continue to support us in our best endeavours to realise the potential and aspirations of all the children.

6E assembly

What a wonderful performance from 6E this morning! They took us through a journey of their learning this year where we heard about; hurricanes and tornadoes, what it was like to live and go to school in Victorian times, the wonders of visiting Iceland and Ancient Greece. The assembly had it all – beautifully spoken lines, wonderful singing, including a reworked Frozen song, and a video showing hammer throwing at its best! A massive thank you to Mr Ewins for helping the children put this together and a huge well done to all the children who showcased many talents and did themselves proud.

Summer Reading Challenge

This Wednesday we had some visitors from the Winchester Library to introduce the Summer Reading Challenge. This year's theme is 'space'. The challenge starts tomorrow (Saturday 13th July) and continues until Sunday 15th September. Join up is free at your local library. We look forward to hearing if anyone manages to catch any aliens. For more information go to www.spacechase.org.uk

Year One visit to Bournemouth

On Friday the 5th July, year 1 went to Bournemouth Oceanarium. First, we went on the coach and it was bumpy. Then we got off the coach and had a snack. Later we saw an iguana called Ziggy (Ziggy is a very chilled out lizard). After that, we saw some piranha's, they eat meat. Next, we saw otters and they are carnivores. Next, we saw Humboldt penguins. Humboldt penguins have tags so we know who is who. Then we walked down the steps. Next, we strolled through the tunnel. I loved it when the creatures were on top of us!

(written by Nadia G)

Next, we saw penguins, which have bands on their flippers to show if they are boys or girls.

(written by Theo C)

We were excited because we have never been to an aquarium!

(written by Chloe H)

Next, we went into the tunnel, it was fun. I saw lots of sharks and an enormous turtle with a hard shell.

(written by Hugo M)

Scooters and Bikes

Please can I ask again that you ensure that your children dismount their bikes or scooters before entering the school grounds. We are having several near misses and even collisions which are easily avoided.

Staff update

Congratulations to Mrs Boulter who was successfully appointed as a class teacher at Micheldever Primary School for September. She joined us a learning support assistant and has been providing much needed PPA cover across the school. We wish her every success for the future.

Year 6 Leavers' Assembly

This will be held in the school hall at 9.15 p.m. on Monday 22nd July.

GB athlete visit

How Inspiring!

On Tuesday, the children took part in a workshop with British Paralympic sailor, Hannah Stodel. Hannah has represented Great Britain at three Summer Paralympics and with her colleagues John Robertson and Stephen Thomas who have won multiple medals in the Mixed Sonar class at the Disabled Sailing World Championships, including gold in 2005 and 2006. Hannah led a whole school assembly and then ran workshops with all year groups. She talked enthusiastically about her career, the highs and lows and her future ambitions. The children really impressed Hannah. They behaved impeccably and asked some excellent, probing questions. It was an enjoyable morning.

The funds raised will not only support our GB sporting stars, but Kings Worthy will also receive a large proportion of the money to enable us to purchase new PE equipment. So far we have raised nearly £900. This is fantastic! Thank you so much!

“I was so inspired by Hannah. Even though she has faced many challenges, she has never given up!” Poppy Year 4.

“The exercises were fun! I broke Hannah’s record of 27 Burpees. I completed 31!” Abigail Year 5.

“Hannah talked enthusiastically about her latest challenge. Hannah is planning on sailing solo around the world. What a challenge! What an athlete!” Mr Brewster.

Lost Property

All the lost property will be here until next Friday when we will be disposing of it so we can get ready for the start of next year.
