

My Kings Worthy School Closure Challenge

Name:

Your challenge is to complete as many of these activities while school is closed.

Stay safe:

- remember to wash your hands for at least 20 seconds
- remember to cough or sneeze into your elbow (sneeze dab)
- and drink lots of water

Don't go near lots of other people. It is okay to be outside and going for walks but keep your distance from others. Listen to the adult or adults taking care of you and do what they ask you to do with love and respect.

Some of the activities you can do by yourself, some of the activities you need to do with a friend and some of the activities you will need an adult too!

Have fun!

	Activity	Date(s) completed
1	Reading Challenge–how many books can you read	
2	Write a letter to a child in Rwanda
