

Community Food pantry,
Unit 12,
Winnall Valley Road,
Winnall,
Winchester,
SO23 OLD.

Email: cfp@unit-12.com

Hopefully many local residents in Winchester and the surrounding area will have heard of the new Community Food Pantry that has opened in Winchester at Unit 12 Winnall.

We are excited to announce that we are busy creating a new recipe book. The book will feature recipes from Pantry Members and Volunteers. Our main contributor will be Little Planet's Pooja Mehta Nicodemi who whisks up weekly recipes for us with goods bought into the Pantry. Each week we have a different selection of food delivered to us from Fareshare and other donations.

Now, this is where we are inviting all the Primary School Children in Winchester and the Surrounding area to become part of our new recipe book.

We are holding an exciting design competition for the front page and back cover. We will also be including as many pictures as we can to accompany each recipe. The idea is to include as many of our community's school children as possible.

All the children have to do is draw a picture of something that is Food or Pantry related. This can be anything from their favourite meal, fruit or vegetable. Now it is over to you to get creative.

Entries can be emailed to Elaine cfp@unit-12.com or sent to the above address alternatively dropped into our mailbox remember to write Pantry Competition on the envelope.

There will be prizes for each Category which will be as follows

Years R-2

Years 3-4

Years 5-6

Each child that enters will be given a certificate for taking part.

Competition will close on 30th April 2021.
