

Dear Parents,
After half term in year 2 we will be learning about Remembering and Special Things in RE. Could your

child please bring something that is special to them (in a named carrier bag) into school on Tuesday 25th February. This could be a favourite teddy, a photo of a special event or an item from when they were a baby. The items will be kept in the classroom so that they are safe and sent home on Wednesday after we complete our RE learning. If you prefer you could send in a photo of the item if it is too precious to come to school! Either print it off or email it to admin@kingworthy.hants.sch.uk

Thank you so much!

Mrs Moore and Miss Singleton
