Dear Parent and Carers

### Ofsted

On Tuesday and Wednesday this week we experienced our first Ofsted inspection since February 2017. At this stage, I am unable to say how it went, but rest assured you will be informed as soon as I receive official confirmation. Firstly, I would like to thank the children because they were an absolute credit to you and the school and you should feel very proud of their efforts throughout the two days. Secondly, thank you to all the staff who worked tirelessly the night before the inspection started (some of them were still in the building past 8pm) and then were able to deliver their usual high-quality lessons under intense pressure and scrutiny over two days. Also, not forgetting the continued support of our Governing Body, who work closely alongside myself and the staff team with a combined vision to continue to raise standards. Finally, thank you to all of you for answering the Parent View questions on the Ofsted website. Your immensely positive responses are, along with those of the children, the most important endorsement we could wish for. I look forward to sharing the results with you in the not so distant future.

### Fire Service

On Wednesday the children in year 2 and year 5 were lucky enough to be visited by the fire service where they learnt all about what to do in an emergency. The children learnt all about what to do if they discovered a fire and what number to ring if they need help in an emergency.

“They talked about fire safety and how to prevent a fire. My favourite part was when we had to find all the hazards in the image.” – Abi (5R)

“The people from the fire service taught us about ‘stop, drop and roll’ and how quickly a fire can spread. We found out that making a fire escape plan for your house can save your life.” – Gabriel (5R)

“The fire service visit was awesome and they taught us a lot. There were alarms, and we also learnt about how the quicker you get out of a fire, the more pets the fire service can save.”

– Eva (5R)

## Red Nose Day 2022

At Kings Worthy Primary School, we are all really excited to be taking part in Comic Relief's **Red Nose Day 2022**. Red Nose Day is one of the UK's biggest fundraising events, bringing the nation together to have some well-earned fun. Given the events of the past couple of years, coupled with what is now going on in Europe, it has never felt more important to raise money to support people living incredibly tough lives.

This year, to do our bit and raise money, a number of fun activities have been organised to take place during the week beginning **Monday 14<sup>th</sup> March**. Under a general theme of 'Superheroes', activities will include: super hero yoga; describe a famous super hero to the class; looking at different superhero powers or features; discussion in class about if you had a power to do anything in the world what would it be?

### Key information and dates:

#### Friday 11<sup>th</sup> - Friday 18<sup>th</sup> March

Red noses on sale on [SCOpay](#) at a cost of **£1.50**.

These will be delivered to children throughout the week when paid on SCOpay.

#### Friday 18th March - Non-uniform day:

We will be holding a non uniform day and if you can add a splash of something red that would be great! If you have bought a red nose, this can of course be worn to school too.

Non Uniform Day recommended donation via Just Giving: **£1**

**A donation on Friday 18<sup>th</sup> March should be made through the following JustGiving website, which will contribute directly to Comic Relief (this is separate from the Red Nose payment through SCOpay):**

We appreciate your support and hope that the children will have fun helping the school raise money for such a good cause.

## Tag Rugby Tournament

The day started when we headed off to Winchester Rugby Club to compete in the tag rugby tournament. Everyone enjoyed the competition due to the fact that we won 3 games and scored lots of tries! Here are some quotes from other members of our team:

"We are very proud of the progress we made and hope next year's tournament will be even better!" – Izzy 6C

"I enjoyed representing the school" – Poppy 6C

Thanks to Mr Watton and Mr Rule for organising it!
