Dear Parent and Carers

Kings Worthy Make a Splash!

Last week, children from Year 4, 5 and 6 took part in the Swimming Gala at Winchester Leisure Centre. They competed against schools from Winchester and surrounding areas. Schools included Otterbourne, St Swithuns and Prince's Mead. The children competed in a range of races including sprints and relays. Our children were incredibly nervous, but performed with determination and focus. They were an absolute credit to our school. Ethan from Year 4 reached his first final and was even identified as a swimmer with huge competitive potential. That said, all our swimmers were outstanding and kept their teachers on the edge of their seats. We're so proud of you all!

"I was so nervous before my first race, but once that was out of the way, I really enjoyed racing!" Martha, Yr4

"I surprised myself by being able to swim butterfly the whole length of the pool." Elin, Yr6

"I really enjoyed swimming today. I think we did well for a first time!" Matthew, Yr6

"I reached a final and came 6th overall. I was nervous, but so pleased!" Ethan, Yr4

On Your Marks! Get Set! GO!

On Thursday 12th June, Kings Worthy Primary School hosted our first whole school sports day in over two years. Key Stage 1 competed in the morning and Key Stage 2 in the afternoon. The children took part in races including, full and half sprints, skipping, bean bag, egg and spoon and the sack race. For those not racing, the children were able to go around 12 activities with their parents. These activities included, balance beam, football dribble and javelin. It was lovely to see the children covered in stickers for their hard work and effort. Our children were amazing! A special thanks goes out to our Year 4, 5 and 6 helpers. Year 6 supported staff throughout the day and were outstanding.

We will announce winners later this term and certificates will be awarded for those winning each race or activity. The plan is to create a Kings Worthy Record Breakers display for each event. It will be interesting to see how long the records last for.

At lunch time, the parents stayed out with the children for a whole school picnic. What a great opportunity to sit back and enjoy the lovely weather and eat and chat with friends and family. We hope you enjoyed the day! It was great to see so many parents.

"It was really fun, even though I did not win every race, I still tried my hardest." Annabelle, Yr 3

"It was great to watch everyone doing their races, as well as doing our own." Isabelle, Yr 3

School Disco

The school disco, ran by <https://partyboxzoe.co.uk>, was a huge success yesterday. The children looked like they were having a fantastic time bopping away to tunes (along with a few teachers), playing with bubbles and foam as well. We would like to say a **HUGE** thank you to the wonderful volunteers that gave up their time to help; thank you to the school staff for helping and well done to the children for behaving so nicely.

Thank you to Vicky Richardson, on the PTFA ,who did most of the work and planning for the disco. We raised just over **£1000** which is fantastic.

Lion King Ticket Competition

Thank you to all those from Years 3, 4, 5, and 6 who submitted entries to our ticket competition this year. The field of entries was incredibly strong, so much so the entries had to be narrowed down and decided by a group of teachers in school. Congratulations to...

Charlotte B – Year 3

Oli K – Year 6

You will be able to see their amazing ticket designs once tickets go on sale. Keep an eye out for this in the coming weeks!

Butser Farm

What a brilliant day Year 3 had at Butser Farm. The weather was wonderful and the children were able to do so many different activities. These activities included: jewellery making, an artefact talk, watling and chalk carving. The children all listened carefully and we even managed to fit in time to visit the goats and pigs on the farm. It was such a busy day and the children behaved so well, they were so full of enthusiasm the whole day, some even nodded off on the journey home. Thank you to our volunteers and also a big thank you to all of the children for being so brilliant all day!
