

Year 6 on Trial!

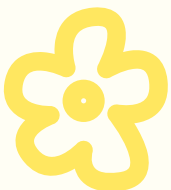

Last week, Year 6 enjoyed their first trip of the year: an exciting visit to Winchester Law Courts. Here they took part in a mock trial based around cyberbullying. This gave the pupils the opportunity to learn about the courts system by bringing their learning to life in a real-life court! The focus for their trial was cyberbullying and harassment over WhatsApp helping them consider why being responsible online is important. Through the mock trial, pupils explored how the courts system helps society think about important issues and understand the role that laws play. Most excitingly, the jury had the job of deciding whether the defendant was guilty or not guilty of all counts. Next term, Year 6 will draw on what they learnt at Winchester Law Courts in their writing topic on 'Holes' and History work in 'Crime and Punishment'. Unfortunately there are no photos as we were reminded that taking a photo in a court is itself against the law!

Hello Yellow - Friday 9th October

Our school will be taking part in **Hello Yellow** on Friday 9th October to raise awareness and funds for YoungMinds, the UK's leading charity for young people's mental health. Many young people are struggling with their mental health right now and that's why days like Hello Yellow matter. By teaching young people to explore their feelings, how to talk about them and who to reach out to for help, we're giving them the tools they need. And by raising funds for YoungMinds, we're making sure that they have access to support when it matters most.

On 9th October, we'll be taking part by wearing a yellow accessory (with school uniform) and spending part of the day talking about the importance of mental health. In support, you can donate to our school's fundraising by using [this link to our fundraising page on Hello Yellow](#) or the QR code.

Author Visit

We are excited to announce that **Jack Meggitt-Phillips** will be visiting KS2 on the 12th October. Jack will be introducing the children to his hilarious new series Jekyll vs Hyde, the perfect read for the spooky season. Thank you to those of you who have pre-ordered on SCOPAY.

Kindness Club Superstars

Kindness club has barely begun and already Evie and Otilie in Year 3 have been out and making a difference. Not only did they show great initiative by organising a sale, they raised £6.02 too. We are currently raising funds for a kindness trolley for our kindness club and the girls have kicked this off in style. Thank you so much, Evie and Otilie.

Outstandings

This week we had our first outstandings emailed in to us by a parent for some members of staff. It was such a joy to read the support they had given a family and it made our smiles even prouder to know their hardwork and dedication had been recognised.

If you would like to nominate any member of staff for something big or small, please do let us know. You can either email the school office or let Miss Eggleston or Mrs Morgan know directly.

Shoe Box appeal 2026

We still have shoeboxes available!

If your family would like to fill a box for a child, please complete the form below, so that a box can be sent home with them. We ask that the boxes are returned to school between 14th-16th October. Leaflets which give details of suitable items for each age group will be sent home with each box

I would like to thank Miss Griffiths and Mrs Myers for kindly volunteering to take over the running of this scheme! <https://forms.cloud.microsoft/e/1nfgGaziH4>

Working Towards the Wellbeing Award for Schools

We are delighted to share that Kings Worthy Primary School is now working towards the Wellbeing Award for Schools (WAS). The award recognises and supports schools that place the mental health and wellbeing of their whole school community at the heart of school life.

This feels like a very natural next step for us. Our recent Ofsted inspection highlighted the importance we place on wellbeing, including our strong support for pupils' emotional wellbeing and positive mental health. Inspectors also recognised the high priority given to staff wellbeing, noting our caring and collaborative culture and high morale.

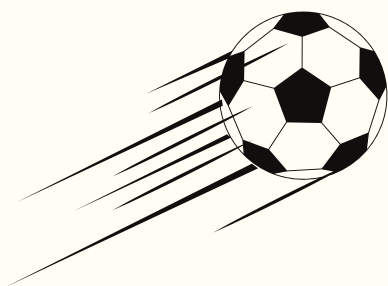

We are incredibly proud of the wellbeing culture we have built together, and the award gives us an opportunity to celebrate what we already do so well, while continuing to reflect, develop and strengthen our practice even further.

As part of the award process, we will be asking for your views, so please look out for a parent survey arriving by email in the coming weeks. Your feedback will be an important part of helping us celebrate our strengths and identify opportunities for further development.

We know wellbeing is one of our strengths – and we're excited to build on it!
